

iPad Gripcase Trolley

Charge & sync trolleys for iPads in Gripcases

The zioxi designed Gripcase trolleys provide storage, charging and sync for 15 or 30 iPads and iPad minis in any of the Gripcase frames including those with an integrated keyboard. The shelf dimensions will also accommodate other large iPad frames including those from Big Grips, GoNow and Evecase — if you're not sure, just ask. Compact enclosure with lockable doors and on lockable castors. Doors fold back 270 degrees for easy access. Also available in Charge and Store versions, and as static cupboards rather than trolleys.
